the X-Back MOLLE

**Superior safety and comfort for flights
over water.**

Thin. Light. Comfortable. Durable. Safe.

X-Back Adjustment System

Features:

- Signature SWITLIK X-Back ergonomic design for superior comfort in the seated position.
- One-size-fits-all: Maximum adjustment capability to fit the largest range of sizes.
- Dual opening zipper design.
- Designed to transfer the load away from your neck.
- Twin chamber inflatable cell with two oral tubes.
- Built in locator light & emergency whistle.
- Storage pockets for excess webbing.
- Breathable protective cover fabric for reduced thermal burden and increased durability.
- Modular Lightweight Load-Carrying Equipment (MOLLE) system permits customization of vest with accessories.
- Low profile design virtually eliminates interference with your helmet.
- Integrated grab handle allows wearer to be pulled to safety in a search and rescue scenario.
